

Travel assistance services

No matter where you are, help is with you

Illness and injury can happen anywhere — even when you travel. That's why your Standard Insurance Company group life plan includes Generali Global Assistance, Inc. (GGA) travel assistance services.

Travel assistance ensures that you and your dependents receive the care you need 24/7 — no matter where you are in the world.¹ These services are available if you're more than 100 miles from home for 90 days or less.

GGA can also give you useful tips before you travel, such as vaccine and passport requirements, foreign exchange rates, and travel advisories.

Emergency medical assistance while traveling

If you have a medical emergency while traveling, call the local emergency authorities right away. Then, as soon as possible, call GGA at the number on your travel assistance wallet card, included on the back of this sheet. GGA will help make sure you receive the right medical care, as well as support for your personal and travel needs.

All services, including medical evacuation transport, must be arranged in advance by GGA.

Medical expertise and coordination

- **Medical referrals:** GGA will help you find doctors, dentists, and medical facilities.
- **Medical monitoring:** Professional case managers, including doctors and nurses, will help make sure you receive the right care or decide if you need to be moved to a different healthcare facility.
- **Medical evacuation:** If a doctor chosen by GGA decides you should be taken to a different healthcare facility or return home for treatment, GGA will arrange that. They will also pay for it, up to the program limit of \$1 million for each medical incident (all services combined).

▶ 24/7 help is a phone call away
If you need help when you're away from home or tips before you travel, you can reach GGA 24/7:

- By phone from the U.S. and Canada: **866-295-4890**
- By phone from other countries: **202-296-7482** (call collect)

- **Payment guarantees:** Some doctors and facilities could ask you to pay for certain medical services at the point of service even if your medical plan covers you out of the country. However, many facilities abroad will not accept a credit card. In most cases, GGA can guarantee payment for these services if you complete a credit card authorization form as a guarantee to repay them. This helps ensure you don't have to pay cash for out-of-pocket expenses.

Support for family and friends

- **Help with dependent children:** If you travel with a dependent under age 26 and they are left alone because you are in the hospital, GGA will set up and pay for their most direct route home on economy class airfare.² GGA will also arrange and pay for a qualified escort to go with them, if needed.
- **Traveling companion return home:** If you have a travel companion who needs to return home, GGA will arrange and pay for their airfare.²
- **A visit by family member or friend:** If you are traveling alone and will be in the hospital seven days in a row, GGA will arrange and pay for round-trip economy class airfare for a family member or friend to visit you. They will also receive \$150 each day for up to five days for meals and lodging.²
- **Emergency messages:** GGA can relay messages to and from family, friends, and co-workers.

Legal and financial help

- **Emergency cash advances:** GGA will advance up to \$5,000 in an emergency. You will need to provide a guarantee to repay them and pay any transfer or delivery fees.
- **Legal counseling and bail:** GGA will find an attorney and arrange bail bond payment, if the law permits. You will need to pay or provide a guarantee of payment for the attorney and bail bond fees.

Travel services

- **Emergency travel arrangements:** GGA can make new travel arrangements or change airline, hotel, and car rental reservations if there is an emergency. You will need to provide a payment/credit card guarantee for tickets, hotel rooms, and car rentals.
- **Interpretation or translation:** GGA will help by phone in all major languages or refer you to a service that interprets and translates documents in writing.

Additional services

GGA will also help with:

- Guiding you through what to do if your wallet or purse is lost or stolen.
- Bringing your remains home if you pass away, up to \$10,000.
- Returning your personal vehicle in an emergency.
- Returning your pet in an emergency. If your pet is traveling with you and is left alone because you are in the hospital or you pass away, GGA will arrange and pay for its return home.
- Finding lost luggage, documents, and personal items.
- Replacing medicine and eyeglasses. You will be responsible for these costs.
