

Using your supplemental health benefits

When you have an Anthem medical plan and our supplemental health plans, you can count on extra financial protection when you need it most.¹ Learn how to submit claims for qualifying events and take advantage of these benefits.

How do I know I have an eligible supplemental health claim?

If you sign up for email auto notifications, we can quickly notify you by email or an alert on your **anthem.com/ca** account when you have an eligible claim.

You would then need to submit your supplemental health claim for the qualifying injury, illness and hospital stay. This process is different from medical claims where the care provider files the claim for you.

To sign up for email auto notifications, follow these steps:

1. Log in to your account on the Sydney Health mobile app or **anthem.com/ca**.
2. On **SydneySM Health**, type **Profile** in the chat feature. On **anthem.com/ca**, choose **Profile** in the top right corner. Go to My Account, and choose **Communications & Settings**.
3. Under *Plan Communications Settings*, confirm your email address is correct. You can change it or add a new one, if necessary.
4. Under *Go 100% Digital*, select **On**.
5. Then, **check the box for email** for Benefit Updates, Legal Information, and Annual Notice of Change under *Customize Going Digital*.

IMPORTANT: This is a fixed indemnity policy, NOT health insurance. This fixed indemnity policy may pay you a limited dollar amount if you're sick or hospitalized. You're still responsible for paying for the cost of your care: the payment you get isn't based on the size of your medical bill; there might be a limit on how much this policy will pay each year; this policy isn't a substitute for comprehensive health insurance; since this policy isn't health insurance, it doesn't have to include most Federal consumer protections that apply to health insurance. **Looking for comprehensive health insurance?** Visit **HealthCare.gov** or call **1-800-318-2596** (TTY: 1-855-889-4325) to find health coverage options. To find out if you get health insurance through your job, or a family member's job, contact the employer. **Questions about this policy?** For questions or complaints about this policy, contact your State Department of Insurance. Find their number on the National Association of Insurance Commissioners' website (**naic.org**) under "Insurance Departments." If you have this policy through your job, or a family member's job, contact the employer.
